Description:This important American home provides a clear view into the past, and home for the best days yet to come. Built Circa 1829 with the highest degree of craftsmanship and thought, in Classic Greek Revival style. 51 Cranberry Street has been mindfully preserved and meticulously maintained for 187 years. This prominent townhouse is situated on a historic row in the seclusion of Brooklyn Heights' North End. The lovely Flemish Brick work façade overlooks the gardens of Plymouth Church. Building width measures 25 feet and lot depth is 100 feet. The South facing position brings streaming sunlight throughout the home. The open views are unobstructed and include historic landmark protection.
